Address:

Room 1, Floor 5, Building 22,
Street 897, Doha, Qatar

EDUCATION

High School Diploma | August 2022 - October 2025

AMA OED Online Education, Quezon City, Philippines

- Relevant STEM Coursework: General Physics, General Chemistry, Basic Calculus, Statistics and Probability, Practical Research 1 & 2
- GPA: 4.0

IT Certification | January 2024 - April 2024

Icon Training Centre, Al Maahed Street, Doha, Qatar

- Completed a comprehensive course in Python programming, focusing on core syntax, data structures, and scripting fundamentals.

Data Science with Pandas Certification | March 2024 - September 2024

AMA OED Online Education, Quezon City, Philippines

- Completed hands-on training in data analysis using Python and Pandas, including data cleaning, visualization, and statistical interpretation.

Advanced Certificate in Software Engineering (ACCP Program - Year 2) | 2024 - Present

APTECH QATAR COMPUTER EDUCATION, Matar Qadeem, near Lulu Mall, D Ring Rd, Doha, Qatar

- Relevant Coursework: Front-End Web Development (HTML5, CSS3, JavaScript, React), Database Design with SQL Server, Java Programming, Python Development, MongoDB, and Cloud Fundamentals.

EXPERIENCE

Live Broadcast Operator | CDTEK Media | May 2024 - October 2024

- Operated production and broadcast control systems for live events.
- Utilized video editing software to create content for airtime.
- Provided technical support and ensured quality of live broadcasts.

Web Developer Intern | CDTEK Media | August 2024 - Present

- Developed custom websites using HTML, CSS, and JavaScript.
- Maintained and updated client web applications.
- Ensured responsive and high-quality user interface and experience.

Event Volunteer - Crowd Management & Operations | Qatar Summit 2025

- Supported event logistics and assisted with crowd control and attendee coordination.
 - Helped ensure smooth entry and communication among event teams.
 - Demonstrated responsibility, teamwork, and strong communication in a large-scale event
-

Volunteer – Ooredoo Marathon 2025

- Assisted in providing water and support to participants and children during the kids' race.
- Contributed to maintaining a safe and engaging environment for runners and spectators.
- Showed enthusiasm, reliability, and community spirit in a fast-paced public event.

PROJECTS

Personal Portfolio Website | 2024

- Designed and implemented a personal portfolio using HTML, CSS, JavaScript
- Showcased web development projects and interactive demos.

Data Analysis Project with Pandas | 2024

- Analyzed datasets using Python Pandas library.
- Cleaned, visualized, and interpreted data to extract insights.

CDTEK Media Contact Website | 2025

- Designed and developed a responsive website for CDTEK Media, enabling clients to easily contact the company for inquiries and services.
- Implemented front-end using HTML, CSS, and JavaScript, and back-end form handling using PHP/Node.js or a backend framework (whichever you used).
- Integrated form validation, email notifications, and a simple CMS for content updates.
- Improved client engagement and streamlined communication processes.

Fanimation.com — Fan Community & Shop (Aptech Qatar)

- Built a responsive single-page React application with Node.js/Express backend and PostgreSQL database.
- Implemented user authentication (JWT), contact forms, product catalog, and admin CMS.
- Used ORM (Prisma/Sequelize) for secure database access and deployed the project with full documentation on GitHub.

ACHIEVEMENTS

- **High Honor**, AMA University Online Education (STEM), 2025 – Recognized for outstanding academic performance in STEM coursework.
- **Top Project Award**, Live Broadcast Event, CDTEK Media – Led a project with hands-on experience in live event management and media technology.
- **Data Analysis with Pandas (Python)** Certification, Infocus, 2024 – Demonstrated ability to manipulate, analyze, and visualize data using Python.
- **IT Certification**, Icon, 2024 – Gained foundational skills in IT systems, troubleshooting, and technical problem-solving.

SKILLS

- **Programming:** JavaScript, HTML, CSS, SQL, Java
 - **Front-End Frameworks:** React, AngularJS, jQuery, Bootstrap
 - **Web Development:** Responsive Design, API Integration, UI/UX Prototyping, Server-side Scripting
 - **Databases:** SQL Integration, PostgreSQL
 - **Other Skills:** Code Debugging, Website Optimization, Problem-solving, Innovative Thinking
-
